About This Content

Pathfinder Adventure Path #69: Maiden, Mother, Crone (Reign of Winter 3 of 6)

by **Tim Hitchcock**

Three Times the Adventure!

On the trail of Baba Yaga, the heroes find themselves transported to the barbaric land of Iobaria on the far-off continent of Casmaron. They must explore three ancient, mystically linked dungeons in search of more clues to the fate of the Queen of Witches, while contending with savage centaurs and demon-worshipping frost giants who seek to claim Baba Yaga's secrets for themselves.

This volume of Pathfinder Adventure Path continues the Reign of Winter Adventure Path and includes:

- “Maiden, Mother, Crone,” a Pathfinder RPG adventure for 7th-level characters, by Tim Hitchcock.
- A gazetteer of the Dvezda Marches—a cold and isolated region of Iobaria populated by centaur clans and dotted with ancient ruins.
- An account of the demon lord of hideous giants, numbing cold, and bloody revenge—Kostchtchie the Deathless!

-
- A glimpse into Irrisen's eerie relationship with dolls in the Pathfinder's Journal, by Kevin Andrew Murphy.
 - Five new monsters, by Jason Nelson and Sean K Reynolds.

This product is not a PDF or accessible outside of Fantasy Grounds. It has been lovingly converted for use within Fantasy Grounds and features the following additions:

- All maps resized and set up with a preset grid to make combats easy to manage
- Individual area descriptions linked to maps, containing new encounters, treasure parcels and descriptions for just that area
- Tokens for each encounter are all pre-placed in starting locations on the map. You can edit these on the fly.
- Drag and drop treasure parcels and Encounter XP that is easily awarded to your players to keep the game moving ahead
- All the images and handouts from the book available to share with your players as you need them

Released on May 13, 2018. Designed for Fantasy Grounds version 3.3.5 and higher.

Requires: This content requires an active license or subscription for Fantasy Grounds to download and use.
